Erasmus Welcome Guide
2019/20
**Things to do at your arrival:**

- **Register at the International Mobility Office of the University of Genoa**

This is the first office you have to visit (don’t forget to bring a valid identity document with you). Here you will be registered and enrolled, you will receive a matriculation number and all necessary documents. You will be also given the student badge that is necessary to access to the labs, to libraries and student canteens. After you have enrolled you will be able to access all the facilities and services you are entitled to as a student of the University of Genoa.

- **Go to the Foreign students’ office (SASS)**

This office can help you in:

- finding the best accommodation for your needs
- applying for the tax code number
- applying for the permit of stay (only non EU citizens)

**International Mobility Office**
Piazza Nuziata 6, 2nd floor, 16124 Genova
tel. +39 010 209 9545
Fax +39 010 209 5012
E-mail: coopint@unige.it

Opening hours:
Monday, Wednesday, Thursday, Friday 9.00 - 12.00
Tuesday 9.00-11.00 and 14.30 - 16.00
**THINGS TO DO AFTER REGISTRATION:**

- **Take part in the Italian Language Course**
  The University of Genoa organizes, with the contribution of E.U., Italian language courses for foreign students, *completely free of charge.*
  If you want to follow the course you have to fill in the appropriate section of the Application Form.
  The courses are divided into levels from A1 (breakthrough) to C2 (mastery) in keeping with the criteria laid down by the Common European Framework of Reference for Modern Languages of the Council of Europe. The students have to sit for an entrance test.
  For information and timetables: [http://www.clat.unige.it](http://www.clat.unige.it)

- **Contact the professor responsible for the exchange** (indicated in the section «Erasmus+ stay data» of your Application Form). The professor responsible will support you in matters concerning your study/traineeship plan (learning agreement) and the course units.

- **Contact the international office of the appropriate Didactic Structure.**
  It will provide all useful information regarding the organization of the Structure, academic calendar and course units.

**ATTENTION: learning agreement and changes**

*The learning agreement* and its changes have to be completed in accordance with the sending institution and the professor responsible for the exchange at the University of Genoa (following the rules of each Didactic Structure.) As to the section of the document reserved to the receiving institution, the document has to be approved by the professor responsible for the exchange and/or the ECTS Departmental Coordinator (if the course applies the ECTS method). If the document needs the approval of the [Erasmus Institutional Coordinator](http://www.clat.unige.it), you have to come to the International Mobility Office after obtaining the signature of the professor responsible for the exchange.
Once enrolled at UNIGE by the International Mobility Office, you will receive the **UNIGEPASS** to access all the online services, such as:

- Wi-Fi internet access,
- Student’s webmail,
- E-learning and AULAWEB,
- Use of University computers,
- Library services

*Use your Unigepass to take full advantage of University services!*

Don't forget to register for Unigeprint: with this service you will get a credit of 15€ for the use of Multifunction Printers of the University!

**Things to do during your stay:**

**Ask for an extension of the Erasmus period**

If you wish to extend the duration of your Erasmus stay, you need the authorization both of your sending institution and the professor responsible for the exchange at the University of Genoa. The extension request form is available on the webpage for incoming Erasmus students.

The extension request has to be received by the International Mobility Office at least 15 days before the end of the registered Erasmus period.

After receiving both authorizations, the International Mobility Office will issue a confirmation of acceptance.

IMPORTANT: Remember that the Erasmus period cannot exceed 12 months and must be completed within September 30, 2020.

**Contact ALISEO Regional Institute:**

ALISEO offers general student services such as MEAL SERVICES and accommodation. Canteens are one of the main services provided for students, also Erasmus students can have access to this service, prior authorization. The complete list of canteens available for students and the prices of meals can be consulted at the web page [https://www.aliseo.liguria.it/Servizi → Ristorazioni e sport → Punti di ristorazione in Liguria](https://www.aliseo.liguria.it/Servizi → Ristorazioni e sport → Punti di ristorazione in Liguria).
